

## Welcome to Cathedral – Come Join The PBA!

The purpose of the Parent Booster Association (PBA) is to promote and sustain friendly and helpful parent-teacher-student relationships; to foster and develop the growth of the school; to offer resolutions; and to support activities pertaining to the welfare of the students and faculty. The responsibilities of the PBA are: to elect officers, to develop and encourage better parent-teacher-student relationships, and to raise funds.

The PBA uses fundraising as an important way to raise needed money for programs and projects which are of direct benefit to the students. Annual fundraisers include the Fall Magazine Drive and the Spring \$10,000 Raffle and Silent/Live Auction.

Membership in the PBA is composed of adults from the following groups: Active Members-parents or guardians of children attending CCS; Honorary Members-the Pastor of the Cathedral of St. John the Evangelist, Principal of CCS, and the Development/Foundation Director.

Dues are \$10.00 per year and are included on the August tuition bill. Only Active Members, whose dues have been paid in full, can vote and hold office in the schools' organizations. Elections for officers of the PBA and members of the Cathedral-Carmel School Board are held in the Spring. Each elected officer of the PBA holds office for one school year.
